

FOREWORD

Ewing Christian college Allahabad (a Christian minority institution of the church of North India), as an Autonomous Constituent Post Graduate College of the University of Allahabad, has always been taking the right initiative in the direction of improvement in the quality and content of the educational programmes. The general education, professional education and skill based vocational education, within the framework of the semester system are fulfilling the requirements of the University Grants Commission.

We are once again geared up for the approaching Academic Session 2018-2019 with renewed vigour and encouragement from a glance at the last academic session, when B.Voc. (IT & ITeS), B.Voc. (Food Processing), B. Com. And B.C.A. courses were launched along with number of skill based programmes. The college Staff and the Management, are working persistently towards improving both teaching and infrastructure.

The college cherishes its prestigious project, to convert itself into an e- learning hub, initiated in the year 2006 with support from the UGC as the "College with Potential for Excellence" which has since long been completed. Facilities are now available for collection and production of e - learning material at the Undergraduate level through a Content Collection Centre and an Audio- Visual Studio, both well equipped with state - of - the - Art technology. A Central Server Room is functional for the storage of e - learning material and for dissemination of the data. The entire campus is Wi-Fi enabled.

The college regained Post Graduate status which it had lost in 1921 and was struggling ever since to regain that status. In fact, the college went for autonomy in 1994 with an aim to regain Post Graduate status which was assured in the UGC guidelines for autonomous colleges but was denied by the parent university on one pretext or the other. The College fraternity is heartily indebted to our Hon'ble Vice Chancellor Prof. R. L. Hangloo who granted permission to the college to start Post Graduate programmes using the provision of UGC guidelines to autonomous colleges, which was also approved by the Academic Council and the Executive Council of the University of Allahabad. As a result, the college was able to launch Post Graduate programmes both in Science and Arts streams from the session 2016-17. This year, the first batch of Post Graduates of autonomy era will pass out from the college and some of them may remain with us as research scholars, as we look forward for the permission from the University for initiating research in post graduate departments.

Come and experience the rich academic tradition of the college.

**DR. M. MASSEY
PRINCIPAL**

COLLEGE PROFILE

Ewing Christian College was founded in the year 1902 by Dr. Arthur H. Ewing, a missionary who was its first Principal. The College Campus is located on the Northern Bank of Jamuna River about 3 Km. away from the Sangam and about 4 Km. from the Railway Station. The College is a Christian Minority Educational Institution and controlled by the Ewing Christian College Society, consisting of the Bishop of Lucknow Diocese of the Church of North India and other Indian Christian representatives.

Ewing Christian College as an Autonomous Associated College since 1994, is now an autonomous constituent college of the University of Allahabad. The University Grants Commission (UGC) and the University of Allahabad, under the UGC Scheme of Autonomous Colleges have allowed the College to formulate its own courses of studies and evaluate its own students separately. The Degree is awarded by the University of Allahabad. The College faculty, therefore, after great deliberations and careful planning has developed courses of studies most appropriate under the prevailing circumstances.

Several self-financed vocational courses namely -Electronics, Computer Application, Biotechnology, Microbiology, Biophysics, B. Com., BCA and degree programmes of B. Voc. have been introduced as degree subjects / courses. Several Diploma programs (Computer Programming and Software Applications, Laboratory Technology, Business Management and Administration, Leadership Development and Secretarial Practices) and some other compulsory Certificate Programs have been started to impart technical skills to students to procure middle-level jobs or to start their own business after first degree. The timings of these programs are such as to enable students of the College to enroll themselves without missing their classes.

Regular attendance (75%) in the class room has been made compulsory and Semester System of teaching and evaluation has been introduced in the College since the academic session 2014-15, based on Choice-Based Credit System (CBCS). Entire College programs, thus, have been oriented towards maintaining high academic standards, acquisition of knowledge, skills and scientific temper rather than merely passing the examinations for a degree. The medium of instruction is mostly English in Science. Teaching in Arts Faculty is done both in English and Hindi.

The large eco-friendly campus, well-equipped laboratories, libraries, health centre, prolific gardens, daily Chapel services, games and sports and a host of other extra-curricular activities encourage students to develop a spirit of enquiry and enrich their lives meaningfully. A modern Gymnasium, Women Cell with counseling as one of its

activities, Minority Coaching Centre with its Career Information Services, Student Union and Cafeteria etc. provide excellent Student Support Services.

It is expected that students, seeking admission in this College will take admission, if selected, fully aware of its Minority and Autonomous Status, and will be more interested in acquiring knowledge and skills by regularly attending classes rather than merely for the purpose of passing the examinations for a Bachelor's Degree.

UNDERGRADUATE DEGREE PROGRAMS

The College is running B.A./B. Sc./B. Com./B.C.A./B. Voc. courses. The course duration is 3 years divided in 6 semesters. The courses offered are

BACHELOR OF ARTS (B.A.):

Three-subject combinations are on offer from the following subjects -

Hindi, English, Urdu, Sanskrit, Medieval History /Ancient History, Political Science, Philosophy, Geography/ Psychology/ Physical Education, Economics, Mathematics and Statistics.

SUBJECT COMBINATION IN ARTS:

Students can choose three subjects for study from the Humanities Stream and Social Science Stream, with the following conditions:

1. Mathematics and Statistics will be allowed only with Economics in B.A (For those student who have mathematics in class 12th.)
2. Not more than two literatures can be opted from among English Literature/ Hindi / Urdu and Sanskrit.
3. The students can opt for either Medieval History or Ancient History
4. Students of B.A. can not opt for more than one subject with practical and may therefore opt for Geography /Psychology/ Physical Education.
5. Physically Challenged students cannot opt for Physical Education.

BACHELOR OF SCIENCE (B. Sc.):

Three-subject combinations are on offer from the following subjects -

- Physics, Chemistry, Botany, Zoology, Mathematics, Statistics, (Government Aided)
- Electronics, Computer Application, Biotechnology, Biophysics and Microbiology (Self-financed)

SUBJECT COMBINATIONS AVAILABLE IN SCIENCE:

In Biology Stream

- Botany, Zoology, Chemistry (BZC)
- Botany, Biotechnology, Chemistry (BBTC)
- Botany, Microbiology, Zoology (BMBZ)

In Mathematics Stream

1. Physics, Chemistry, Mathematics (PCM)
2. Physics, Statistics, Mathematics (PSM)
3. Physics, Electronics, Mathematics (PEM)
4. Physics, Computer Application, Mathematics (PCAM)
5. Physics, Biophysics, Mathematics (PBPM)

(In 5th and 6th semester student will study only two subjects and allotment will be on the basis of merit and availability of seats.)

Note: The details of the self financed undergraduate courses viz. Bachelor of Commerce, Bachelor of Computer Application and Bachelor of Vocation are provided under the Self Financed programs below.

SELF-FINANCED PROGRAMS

As a fruit of Autonomy, the College provides on campus facility for students to develop their vocational skills by offering job oriented degree courses like B. Com., BCA, B. Voc. and vocational subjects in Science/Arts Stream, as well as Compulsory Certificate Programs and Self-financed Diploma and Post Graduate Diploma Programs which can be pursued simultaneously along with the degree program. These programmes are on self-financed basis. A brief introduction of these programs is given in the following pages.

SELF-FINANCED VOCATIONAL SUBJECTS AT DEGREE LEVEL IN SCIENCE

1. Electronics
2. Biotechnology
3. Microbiology
4. Biophysics
5. Computer Application
6. Physical Education

Note: The vocational subject opted will have to be retained by the student up to Semester - V & VI. No student will be allowed to drop the vocational subject in Semester - V & VI.

1. ELECTRONICS

The College offers 'Electronics' as a self-financed course and it is an approved subject of the B.Sc. Pass programme and is studied along with Physics and Mathematics. The Department of Electronics has complete and sufficient infrastructure for carrying out theory, practical and project works.

This subject offers very good prospects for jobs as well as for higher studies. It allows students to be directly benefitted at the post graduate level, as 'Electronics' is being treated as independent subject in many Universities.

Fee: Rs. 23,180.00 per year

2. BIOTECHNOLOGY (BT)

Students of Biology Stream have the option to offer "BIOTECHNOLOGY" (BT). The combination shall be Botany, Biotechnology and Chemistry (BBTC).

Scope of the subject & job potential

Students passing out B.Sc. BBTC will have scope in various academic fields like Universities and Research labs. They will acquire skills which will enable them for self-employment and entrepreneurship.

Fee: Rs. 23,000.00 per year

Note:

- 1: *The fee does not include any other fees such as educational tour etc. Which will be chargeable as and when required.*
- 2: *Physically Challenged candidates applying for this course will be subjected to medical screening before admission to determine whether the candidate can take up the rigorous course or not.*

3. MICROBIOLOGY (MB)

Students of Biology Stream have the option to offer "MICROBIOLOGY" (MB). The combination shall be Botany, Microbiology and Zoology (BMBZ).

Scope of the subject & job potential

Students passing out B.Sc. BMBZ will have scope of employment as Microbiologist in various organizations. The demand for microbiologists in various sectors is increasing day by day.

Fee: Rs. 23,000.00 per year

Note:

- 1: *The fee does not include any other fees such as educational tour etc. Which will be chargeable as and when required.*
- 2: *Physically Challenged candidates applying for this course will be subjected to medical screening before admission to determine whether the candidate can take up the rigorous course or not.*

4. BIOPHYSICS (BP)

The college offers Biophysics as a subject at graduate level in combination with Physics and Mathematics (PBPM).

The course objective is to train students in Mathematical & Physical modeling of Biological systems. The curriculum provides an excellent background for the students planning carriers in Bioinformatics, Biophysical

and Bioinformatics research in advancing the frontier of research in Basic Life Science. Only students with Mathematics in 10 +2 level are eligible to apply.

Fee: Rs. 23,000.00 per year

5. COMPUTER APPLICATION (CA)

This course is three-year under graduate program with Physics, Mathematics and Computer Application (vocational) subjects. A student has to drop either Physics or Mathematics in 3rd year of his course. A student passed with Intermediate/10+2 with Science (Math.) may join this course.

Scope: After completion of this course a student may join the IT Industry as Programmer, Technical Support Executive, and Computer Operator etc. A student may pursue higher studies such as M.C.A., M. Sc. IT/CS etc., with the Technical University allowing lateral entry in 2nd year for such graduates, saving one year of study.

Fee: Rs. 24,680.00 per year

6. PHYSICAL EDUCATION

The demand for commencing Physical Education at B.A. level arose on account of change in NCTE Guidelines relating to minimum eligibility criteria for getting admission for B.P.Ed. Course where it has prescribed that the candidate should either possess a degree of B.P.E. or studied physical Education as an elective subject at graduate level.

The teaching curriculum will include: 1) How to lead a well-balanced healthy life, 2) How to enjoy leisure time, 3) Physical Fitness, 4) Basic knowledge of human body, 5) Massage, 6) Health education, 7) Yoga, 8) Exercise Physiology, 9) First-aid, 10) Skills of various sports and games.

Due to the nature of the subject, physically challenged students are not permitted to elect this subject.

Objectives of the course:

- To provide positive environment for the students to take Physical Education as career, getting inducted in Armed Forces etc.
- All round development of personality.
- To take initiative to prepare best qualitative and professional leaders in the field of physical education.
- To develop and promote programme of physical education and sports in the country.

Eligibility: Candidate should have Physical Education as an elective/optional subject at intermediate level.

Or

Participated in Cluster, Regional, Zonal, District, State, National/International level competitions.

Fee: Rs. 14, 410.00 per year

SELF-FINANCED DEGREE COURSES

BACHELOR OF COMMERCE (B. COM.)

All institutions have to make competitiveness a strategic goal. In the era of liberalization and globalization under new economic policy, the commerce programme have often being perceived fairly strong in fetching jobs in the business, trade, banking, finance, insurance and industry sector. The strength of commerce education lies in its unique traditional route in areas of accounting, marketing, business, trade, banking, finance, insurance and industry sector.

The college has felt and identified the fast growing need of changing economic scenario of the country. Keeping this in mind, Ewing Christian College is offering B. Com. Degree program of three years in semester system pattern along with Choice Based Credit System from the session 2016 - 17 with the following objectives:

- To impart basic accounting knowledge as applicable to business
- To develop effective business communication skill among students
- To enable the students to have a knowledge of commercial mathematics as is applicable in business organizations
- To provide basic knowledge about the frame work of Indian business laws and company laws.
- To provide exposure to the students to the entrepreneurial culture and industrial growth so as to prepare them towards self - entrepreneurship and self - employment.
- To acquaint the students with principals of business economic and its application in business.
- To familiarize the student with the basic of principal of administration and management.

- To increase the employability of the commerce graduate.
- To develop the personality of students in a holistic manner by combining skills and values related to business and commerce.
- To equip students to face the various training program and specialization course running in the country and abroad.
- To encourage a global outlook and access to faculty and students development.

The B. Com. Three year degree course (six semesters) will run on self financing basis subject to the following fee-structure:

Total Number of Seats : 150

Course Fee : Rs. 35000/- per year

Eligibility : Students appeared / passed with any discipline (Arts, Science and Commerce) at 10+ 2 level may join this course.

BACHELOR OF COMPUTER APPLICATION (B.C.A.)

This course is of three years / six semester undergraduate programme dedicated to full time study of computer application. A pass student with mathematics at 10+2 level may join this course.

The following subjects are taught in the course of study: Introduction to Information Technology, Elementary Mathematics - I, C programming, Office Automation, Proficiency in English, Business Communication, Elementary Mathematics -II , Data Structure, Financial Accounting, Digital Electronics, Principles of Management, Computer Organization, C++ Programming, Data Based Management System, Discrete Mathematics, Data Communication, System Analysis and Design, Visual Basic, Analysis and Design of Algorithm, Numerical and Statistical Technique, Java Programming, Computer Networks, Computer Graphics, Operating System, Web Technology, Software Engineering, Multi Media System and project.

Total Number of Seats : 60

Fees :Rs 43,000 / year which includes Security Deposit of Rs. 1000, (100% refundable) and Book Bank Fee of Rs. 2000.00(50% refundable).

Scope : After completion of this course our students may join the IT industry as programmer, Technical Support Engineer, Computer Operator etc. A student may pursue higher study courses such as MCA, M.Sc. - IT/ CS etc.

BACHELOR OF VOCATION (B. VOC.)

It has been a long felt necessity to align higher education with the emerging needs of the economy so as to ensure that the graduates of higher education system have adequate knowledge and skills for employment and entrepreneurship. The higher education system has to incorporate the requirements of various industries in its curriculum, in an innovative and flexible manner while developing a holistic and well groomed graduate .Ministry of HRD, Government of India had issued an Executive Order in September 2011 for National Vocational Education Qualification Framework (NVEQF). Subsequently, Ministry of Finance, in pursuance of the decision of Cabinet Committee on Skill Development in its meeting held on 19th December, 2013, has issued a notification for National Skills Qualifications Framework (NSQF) which supersedes NVEQ. Under the National Skills Development Corporation, many Sector Skill Councils representing respective industries have/are being established. One of the mandates of Sector Skill Councils is to develop National Occupational Standards (NOSs) for various job roles in their respective industries. It is important to embed the competencies required for specific job roles in the higher education system for creating employable graduates. The University Grants Commission (UGC) has launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B. Voc.) degree with multiple exits such as Diploma/Advanced Diploma under the NSQF. The B. Voc. programme is focused on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their NOSs along with broad based general education. This would enable the graduates completing B. Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

In this connection Ewing Christian College was also awarded by the UGC to start two courses viz. Food Processing and IT & ITES under B. Voc. Scheme. The college is opening admissions for the above said programmes in this session and the details of the programmes are as follows:

• **B.VOC. (FOOD PROCESSING)**

INTRODUCTION:

Food Processing Industry is one of the major employment intensive segments constituting 12.13 per cent of employment generated in all Registered Factory sector in 2011-12. According to the latest Annual Survey of Industries (ASI) for 2011-12, the total number of persons engaged in registered food processing sector is 17.77 lakhs.

Ewing Christian College has also started Bachelor of Vocation in Food Processing, which is a contemporary exercise that develops efficiency and improves promotion of the food products, as a UGC initiative for skill-based education. This course is based on developing set of methods and techniques which can be used to transform raw materials into nutritious and safe food for consumption. Despite the fact that food processing industry in India is at developing stage, it offers exponential career opportunities to trained professionals in food processing.

B. Voc. in Food Processing is a three year Degree program offering specialization in Fruit & Vegetable processing, Milk & Dairy products and Agro products processing in the first, second and third year respectively with exit levels after each year with Diploma / Advanced Diploma / Degree.

The curriculum of the course has been designed in consultation with the Sector Skill Council i.e. Food Industry Capacity and Skill Initiative (FICSI), a National Partnership Organization that brings together academia, industry, labour and the government to address human resource gaps in Food Processing Industry. FICCI is a Food Processing Sector Skill Council (SSC) responsible for designing Qualification Packs (QPs) for different Food Processing related jobs.

The Curriculum details include a suitable mix of general education and skill development which are designed for specific job roles in Food Processing industry. The course includes content which equip skill development component in the candidate. The candidate will be exposed to project work and on the job training in the industry as well.

JOB PROSPECTS

With aptitude to work and requisite skills one can find employment as

Research Scientists, Food Technologists, Food Engineers, Organic Chemists, Biochemists, and Analytical Chemists, Home Economists, Managers and accountants.

Some of the leading food processing companies in India have come up in joint collaboration with MNCs operating in India. While companies from developed nations provide technical expertise, Indian firms offer cheap labour and production centers.

Leading food processing companies in India include: Amul, Godrej Industrial Limited, Dabur India Ltd., PepsiCo India Holdings, Nestle India Pvt. Ltd., Britannia Industries Ltd., Parle Products Pvt. Ltd. and many more with various MNC's as well.

INDUSTRY PARTNER

The Industrial partner of this course is Shyam Dairy Products Ltd., (Allahabad). It Shyam Dairy Products is a venture of the vibrant multifaceted Shyam Group. It is the largest Dairy in Eastern U.P. with a State-of- art-Infrastructure. It is both ISO 9001 as well as a HACCP certified Company. The present processing capacity of the Dairy is about four lakh (4lakh) liters of milk per day.

The Dairy's products are present in the Markets of Uttar Pradesh, Rajasthan, Delhi, Uttaranchal, Madhya Pradesh, Chhattisgarh, Bihar, Jharkhand, West Bengal and Assam. The Dairy's vast network involves over 50,000 farmers, 12000 Milk suppliers, more than 1,00,000 Retailers and Wholesalers. These cater to more than six lakh end users. They will be supporting in training and placement programmes of students. Negotiations are going on for collaboration with more industrial partners.

ELIGIBILITY:

A candidate must have passed 10+2 science examination with PCB/PCBM/PCM/10+2 Agriculture/ Home Science (Science Group) having scored not less than 50% marks (45% for SC & ST candidates) in aggregate with condition that candidate coming from different streams must take remedial courses as prescribed.

DURATION OF COURSE: 3 Years, of total Six Semester, where in 1 Semester is of 6 months

ADMISSION PROCEDURE: Entrance Test

TOTAL NUMBER OF SEATS: 50

COURSE FEE: Rs. 43,000 (per year)

Forms Available from Institute of Skill Development, ECC, Allahabad

• **B.VOC. IN IT AND ITES (INFORMATION TECHNOLOGY & INFORMATION TECHNOLOGY ENABLED SERVICES)**

Bachelor of Vocation (B. Voc. – Hardware Maintenance, Networking and Security)

INTRODUCTION:

The B. Voc Degree in "HMNS" (for "Hardware Maintenance, Networking and Security") is an undergraduate academic degree awarded for three-year studies. The course has multiple entry and exit points which increase the flexibility of the course.

The functions linked to hardware maintenance, network administration and IT Security have been diversified: if the risk management for IT systems is still reserved to highly qualified engineers [Information system security officers (ISSO)], there are more and more tasks involved by security program management: supervise and administer protecting tools is not necessarily the responsibility of an engineer, even though these tasks are vital for the security. The graduates will be trained for such duties. On successful completion of this programme, the candidate will be able to maintain computer hardware, administer and secure the networks and vital IT information. Moreover, they will know how to deploy appropriate practices and tools for assisting the design, implementation and evaluation of a secure IT environment.

JOB PROSPECTS: In IT sector

ELIGIBILITY: Candidate must have passed 10+2 science examination with PCM group having scored not less than 50% marks (45% for SC & ST candidates) in aggregate.

DURATION OF COURSE : 3 Years (Six Semesters) where in 1 Semester is of 6 months

ADMISSION PROCEDURE : Entrance Test

TOTAL NUMBER OF SEATS : 50

COURSE FEE :Rs. 43,000.00 (per year)

COMPULSORY CERTIFICATE COURSES

With the winds of change sweeping the country due to liberalization and globalization, immense job opportunities are now available for young men and women after graduation, provided they measure up to the requirements of the job provider working at the global level. In this scenario of tremendous job opportunities, it is ironic that skilled manpower available is acutely short of number of job opportunities open. Unfortunately, graduate of our region are pathetically way behind in basic skills required as compared to the industry standard, and are not able to share in the pie of newfound national prosperity. As educators it is our prime responsibility to provide our students such educational programs, which will develop the industry required basic skill in them, thereby making them market worthy. Easier said than done, it is a big challenge before us, as educators.

Ewing Christian College, as an Autonomous Constituent College of Allahabad University in its central avatar, has initiated measures at all levels to provide necessary infrastructure and environment for serious pursuit to remove this deficiency in the educational program. With a view to add value to the degree program at the undergraduate level, the College now offers following Certificate programs of 2 Credits compulsorily for the students taking admission in the College:

(A) Ability Enhancement Compulsory Courses (AECC): For Semesters 1 and 2

- **Spoken English and Personality Development: (Semester I for BA and Semester II for B.Sc. students)**
- **Environmental Studies: (Semester I for B.Sc. and Semester II for B.A. students)**

(B) Skill Enhancement Courses (SEC): For semesters 3, 4, 5 & 6

- Computer Awareness Program (In Semester 3)
- General Awareness and Mental Ability / General Science and Mental Aptitude (In Semester 4)
- Research Methodology (In Semester 5)
- Discipline specific SEC as approved by the Academic Board (In Semester 6)

Fee: Rs. 3000/- per year for AECC/SEC

BACHELOR OF EDUCATION (B. ED.) 2 YEARS' COURSE

Vision and Mission

The B.Ed. was launched in the year 2003, with a vision to establish a Teachers Training Institution of Excellence with stress on Modern information and Communication Techniques, so that the student teacher coming out of this college may be fully geared to exploit the modern sources of information and knowledge delivery systems.

Within short span of its existence, the department has held a National Seminar and in recognition of its academic excellence, IGNOU had selected it for its Study Centre for Distance Mode of B.Ed. Programme. Ewing Christian College aspires to train Student-Teachers as 'Educational Missionaries' to carry the Mission of Education as enunciated in the Commission on Education of the UNESCO:

"Education is complete when the learner,* Learns to know,* Learns to Do,* Learns to Be,* Learns to Live Together,
These are the Four Pillars of Education

With well furnished library having more than 3000 books, various Journals, Educational Technology Lab, Computer Lab, and off campus hostel facilities, the College aims to transform its pupils into good teachers.

ACCREDITATION

This course is Approved by National Council of Teachers Education (NCTE) vide its Letter No. F.NRC NCTE/F-3/UP-775/2003/5/29 Dated: 23-10-2003 and the Degree is awarded by the University of Allahabad, Allahabad

NUMBER OF SEATS

The seats distribution fixed for different streams are as follows: (A) Arts: 45 (B) Science: 40 (C) Commence: 15

College reserves right to fill vacant seats, if left, in any stream by admitting applicants from the other two streams.

- Note:**
- (a) 50 % seats are reserved for Christian Minority candidates.
 - (b) All seats will be filled strictly on the basis of merit of entrance test including privilege marks.
 - (c) Apart from the above there is no Management or NRI seat.
 - (d) Appearing in the entrance test is mandatory for all admission seekers.
 - (e) In case of computed marks obtained in the entrance test of two or more candidates are equal, then the percentage of marks obtained in graduation will be the deciding factor; In case, the percentage of marks are equal in graduation too, then their percentage of marks in intermediate examination will be deciding factor.

STAFF LIST

TEACHING STAFF:

- Dr. (Mrs.) G. S. Zamen, M.A., Ph.D. Honorary Director
- Dr. Vidyapati, M.Sc., M.Ed., Ph.D., Coordinator
- Dr. Justin Pradeep Sahae, M.Sc., M.Ed., (NET Qualified), D. Phil., Assoc. Coordinator
- Dr. Mahendra Mishra, M.A., M.Ed., (NET Qualified), Ph.D.
- Dr. Neelam Singh, M.A., M.Ed., (NET Qualified), Ph.D.
- Dr. Arpita Kumar, M.A., M.Ed., (NET Qualified), D.Phil.
- Dr. Mithlesh Chauhan, M.A., M.Ed., (NET Qualified), Ph.D., P.G.D. in G&C
- Mr. Ashish Samuel Huri, M.A., M. Ed.,(NET Qualified)
- Ms. Kavita Sharma, M.A., M.Ed.
- Ms. Sharon Rose Dayal, M.A., M.Ed., (NET Qualified)

NON- TEACHING STAFF

- Mr. Mohit Cutting, B.Sc., M.A., B. Lib.(Office- In- charge)
- Mr. Akhilesh Srivastava, B.A., M. Lib. (Librarian)

CURRICULUM

As per NCTE guidelines, the programme comprises of four semesters which includes Principles and methods of Teaching, Pedagogy and subject knowledge of different subjects , Philosophical, Sociological and Psychological foundation of Education, Historical Background of Education, Curriculum Development, Education Technology & ICT , Measurement and Evaluation in Education, Action Research and School management and its engagement with the field including School Internship, Community Work, Personality Development, and Yoga. The courses under each of these areas are based on a close reading of original writings, seminars/term paper, Presentations and continuous engagement with the field. Transaction of courses is done using a variety of approaches such as case studies, discussion on reflective journals, observation of children and interaction with the community in multiple socio cultural environments. The college has adopted the syllabus and the transaction of curriculum as well as the internal assessment procedures (Assignments, Projects, Viva – voce etc.) in line with the syllabus approved by the University of Allahabad for the B.Ed. programme.

Note: It is mandatory to appear and achieve 40% marks in the sessional tests and assignments of each theory papers to appear in the end semester examinations.

ELIGIBILITY AND COURSE DURATION

DURATION

The B.Ed. programme shall be of duration of two academic years (two semesters in each year and overall four semesters), which can be completed in a maximum of three years from the date of admission to the programme.

WORKING DAYS

- There shall be at least two hundred working days each year exclusive of the period of examination and admission.
- The minimum attendance of student-teacher shall have to be 80% for all course work and practicum, and 90% for school internship. Failing which the candidate will not be eligible to appear for the end semester examination i.e. theory and practical inclusive.

ELIGIBILITY

Candidates with at least 50% marks either in the Bachelor's Degree and / or in the Master Degree in Sciences / Social Sciences / Humanity, Bachelor's in Engineering or Technology with specialization in Science and Mathematics with 55% marks or any other qualification equivalent thereto are eligible for admission to the programme.

ELIGIBILITY CRITERIA FOR CHRISTIAN CANDIDATES

Christian candidates are also required to fulfill the Eligibility Criteria and go through the Entrance test to get admission against reserved seats. They will also be required to go through a Special test on Biblical Knowledge which will be one of the factors needed to qualify for Admission against reserved seats. Such Candidates must enclose the following:

Church Sponsored Letter issued by the Pastor stating that the Candidate and his or her Parents are permanent members in good standing, the **Name, Address and Denomination** of the recognized Church they belong to countersigned by the Bishop of the Diocese and a Photocopy of Baptism Certificate.

PRIVILEGE MARKS FOR B.ED.

Certificates will have to be produced in order to avail privilege the marks as given in bracket below from (a) to (h)

- Certificates issued by the Government Sports Department for participating in the National or State Level Games or Sports Competitions (For Privilege Marks - 15).
- Certificates issued by any University for participation in the Inter-College Sports Competitions (For Privilege Marks -10).
- C-Certificates for Boys or G-2 Certificates for Girls (For Privilege Marks -15) or B Certificate for Boys or G-1 Certificate for Girls (For Privilege Marks-10) for participating in the National Cadet Corps.
- Certificates of participating in two or More Special Camps and Serving for 240 hours (For Privilege Marks-15) or One Special Camps and Serving for 240 hours (For Privilege Marks-10) or Serving for 240 hours in National Service Scheme (For Privilege Marks-05)
- Certificates of being Defense Employees in Active Service or Demobilized or honorably retired or Ward (Son, Daughter or Wife) of such an Employee or a Disabled, Deceased or Traceless Defense Employee (For Privilege Marks- 15).
- Certificates of being employed in Police or P.A.C. or B.S.F or S.S.B or I.T.B or C.R.P or Civil Defense Organization or Home Guard or Ward (Son, Daughter , or Wife) of such an Employee or a Disabled or Deceased Employee (For Privilege Marks-15)
- Legal Certificates of being a Widow or Divorced or Abandoned Women (For Privilege Marks-15).
- Certificates issued by Regional Director (Higher Education) or Joint Director or D.I.O.S or B.S.A. or R.I.G.S. or Registrar for being Ward (Son, Daughter or Wife) of Teaching and Non-Teaching Employee of any recognized Educational Institution (For Privilege Marks-10).
- Participation in scout and guide will provide 5 marks for state award and 10 marks for president's award.

TEST SCHEDULE

Paper	Date	Time
Paper I	16.06.2018	7:30 AM- 10:30 AM
Paper II*	16.06.2018	10:45AM - 11:15 AM

* Special Test on Biblical Knowledge for Christian Candidates only.

PAPER FORMAT

Paper I English Language, Hindi Language, Teaching Aptitude,

Mental Ability (25 questions each)G.K. & Current Affairs and Subject Area (50 questions each)

Paper II Special Test on Biblical Knowledge (Only for Christian Candidates)

The Candidates is forbidden to write his or her name or leave any identification mark on his or her answer sheet. This will be treated as use of unfair means and his or her result will not be declared.

All information relating to the Entrance Test or the Entrance Test result and the Admission Programme will be pasted on the College Notice Board & Notice Board of B.Ed. Office and will be uploaded on the official website of Ewing Christian College ; <http://www.ecc.ac.in> No candidate will be informed individually by post or any other means. The college will not be held responsible if a candidate fails to complete Admission formalities by the prescribed date.

FEE STRUCTURE

Total course fee for all candidates will be Rs. 1,25,000.00 out of which Rs. 75,000.00 for the 1st year (1st and 2nd Semester) and Rs. 45,000.00 +Rs. 5,000.00 (Excursion Fees) for 2nd year (3rd + 4th Semester).

Students have to choose their subject stream from the drop-down menu. The choice will be then locked if seats in the chosen stream are available. **The required fee is to be deposited on the same day by 4:00 pm as below:**

The candidate can pay the Admission Fee by choosing one of the options.

- By Using Online Payment Gateway (by credit/ debit card, net banking through NEFT or mobile banking). The receipt generated following the payment has to be then brought to the college as per the admission schedule below:

RULES OF REFUND

Refund on withdrawal: After taking admission, if a candidate leaves (on valid grounds based on documentary support)

- Before beginning of classes, 90% of fees will be refunded.
- Within one week of beginning classes, 90% of fees will be refunded.
- After one week of beginning classes, then no fee will be refunded.
- Refund of fee takes at least 3 months.
- Students applying for fee refund will have to provide all the bank details such as Name of Bank, Branch Account Number, IFSC code etc. for online refund.

RELEVANT DOCUMENTS:

Candidates at the time of admission must bring them:

- Originals of Mark sheets and Certificates of educational qualifications (High School, Intermediate, Graduation, Post Graduation)
- Originals of Certificates claiming privilege marks.
- Original Medical Certificate issued by Chief Medical Officer (C.M.O)/Chief Medical Superintendent (C.M.S). (For getting the application forwarded by the Chairman, Admission Committee, the candidate must contact the office at 9:00 AM on the date of calling. With the forwarded application, they can obtain the Medical Certificate from Allahabad CMO/CMS to complete the admission formalities on the same day.
- Migration Certificate/Transfer Certificate/Character Certificate.
- In case of Christian candidates Original Baptism Certificate the scanned copy of which they have submitted along with the Application form.
- Original relieving or leave sanctioned letter of the employer in case of candidates employed in any institution/organization.
- Candidates who fail to report on the given date and time will forfeit their right of admission.
- **The new session 2018-2019 begins from July, 17, 2018 after induction assembly.**

Note:

- If any of the above requirements are missing at the time of admission the candidate shall forfeit his/her right of admission.
- The College reserves the right to change the dates of Entrance Test or Admission, if confronted with any special circumstances.
 - Candidates securing at least 40% Marks in the Entrance will be considered for Admission in the Order of Merit.
 - Both the Selected Candidates and the Wait listed Candidates, on the day of admission will have to submit Original Migration Certificates, transfer Certificates and Character Certificates from the last College or University attendant and produce Original Certificates, the scanned copies of which they have attached with their Entrance Test forms, in support of their claim for Eligibility and Privilege Marks. Christian Candidates will present original Baptism Certificate. If the Selected Candidates and the Wait Listed Candidates fail to submit Original Migration Certificate, Transfer Certificates and Character Certificates and fail to produce Original Certificates on the day of admission, the Privilege Marks allotted to them will be deducted from the maximum marks obtained by them and their candidature could get cancelled.

Note: On special condition, a selected candidate may be given provisional admission, if he/she is not able to submit Migration Certificate at the time of admission, on submission of a Notary Affidavit on Rs. 10/-. Stamp paper undertaking that he/she will submit his/her Migration Certificate within a month from date of his/her admission failing which his/her admission be cancelled and would not claim for the deposited fee of the course. He/She will have no objection in this regard.

Reporting time 30 minutes before the start of paper.

ENTRANCE EXAMINATION

Note: For Admission in UG, and B.Ed. courses, candidates are given option to register either online or offline. The online registration will be the preferred mode of registration. While filling registration form, candidates may avail the privilege marks as per the following categories.

CATEGORIES

PRIVILEGE MARKS FOR UG ADMISSIONS

The following categories of candidates are entitled for privilege marks. No candidate will be automatically entitled for privilege marks unless he/she claims for them and has submitted the required documents along with his/her application form. No request for privilege marks will be considered once the candidate has been registered for admission to the Entrance Test.

Candidates should mention only one category and attach a copy of the certificate supporting the category (for 02-09 only). False claim may lead to disqualification of a candidate. If more than one category has been mentioned, the candidate will be considered under the general category even though supporting certificate has been attached. Candidates can claim advantage under only one category.

If the applicant does not come under the categories 02 – 09, he/she should write “General” (01) in the category box.

CATEGORIES

01. General: All applicants except those are claiming privilege under categories 02 to 09.
02. Church Sponsored: Church sponsored candidates will be admitted in the College, irrespective of the merit earned by them in the entrance test and the year of passing intermediate/qualifying examination, provided they appear in the entrance test and score minimum marks. In order to be considered for selection, a Christian applicant must submit with his/her application form a sponsorship letter signed by the Pastor/Presbyter of the Church that the applicant is attending, duly certifying that the applicant and/or his/her parents are members in good standing. The name, address and denomination of the Church/Diocese/Synod to which he/she belongs and the date of baptism of the applicant should be mentioned. A Church sponsored candidate has to get his/her application countersigned by the Principal of the College, and also execute a Christian Student Undertaking (Performa available in the Office of the Principal) before submission of the application, otherwise he/she will be considered in the General category. Therefore Church sponsored candidates must apply off-line.
03. E.C.C. Employees' Ward: Son, daughter, real brother/sister, husband, wife of Ewing Christian College Staff and those of ex-staff members, who have put in at least 5 years of continuous service in the College will be admitted irrespective of the merit earned in the entrance test and year of passing of Intermediate/qualifying examination, provided they have appeared in the test and have scored certain minimum marks. The application forms of such candidates must be endorsed by the Principal, ECC before submission. Therefore such candidates must apply off-line.
04. Urdu: Candidates who have taken Urdu in their High School or Intermediate Examination and who would like to keep Urdu as one of their subject in B.A. will be admitted irrespective of merit provided they have scored certain minimum marks in the Entrance Test. Candidates who have not taken Urdu either in High School or Intermediate but want to study Urdu in B.A. will not get the benefit under this category but will be considered along with the General candidates. Attach copy of High School/Intermediate mark sheet showing Urdu as a subject studied as documentary proof.
05. Sports & Games: Only those candidates who have achieved the level of competence mentioned below are qualified to try for admission under the Sports and Games category:
 - (i) First, Second or Third position holders at the State level tournaments or meet conducted by State Governments, recognized State Associations of Basketball, Cricket, Football, Hockey, Badminton, Volleyball, Athletics, Table Tennis, Chess, Handball, Swimming, Sailing, Rowing, Canoeing Kayaking, Lawn Tennis, Tae-Kwondo and Boxing only.
 - (ii) Members of the State Teams that participated in the National Championships conducted by Government recognized National Federation including All India University Board and School Games Federation of India, University Board or School Games Federation of India.

Candidates claiming admission under Sports and Games category must attach attested photocopies of their certificates with the application form.

Candidates applying under Sports and Games category if found to be qualified will be called for an interview for verification of their original certificates by a special committee. It is compulsory for all students admitted under Sports and Games category to participate actively in their respective games and sports in the College.

6. **Physically Challenged:** Physically Challenged candidates (with 40% or more disability certified by C.M.O. and verified by Admission Committee) may be admitted provided they have scored certain minimum marks in the Entrance Test. Not more than 5 candidates in this category will be admitted in each stream (Biology, Mathematics and Arts) on the basis of their merit in Entrance Test. It is necessary to mention the percentage of disability in the medical certificate signed by the C.M.O. A photocopy of the certificate must be attached.
7. **Alumnus Ward:** Son, daughter, real brother/sister, husband, wife of the College alumnus/alumni (an alumnus/alumni will be defined as member of the College class who has graduated) who is registered as life member Alumni Association of the College will be given an additional advantage of 5 percent of marks obtained by him/her in the Entrance Test. This privilege is also extended to Part-III students who have taken life membership of the Alumni Association. The admission of such candidate must be endorsed the Secretary of Alumni Association, ECC, before submission. Such candidates must apply off-line.
8. **N.C.C.:** N.C.C. Cadets who have received a 'B' certificate will be given an advantage of 5% of marks and those with certificate 'C' an advantage of 10% marks obtained by them in the Entrance Test for determining the merit. Please note that this concession will not be given to candidates who have not earned 'B' or 'C' certificates but want to join N.C.C. in the College in B.A. and B. Sc. Attach photocopy of certificate.
9. **Scheduled Castes/Scheduled Tribes:** Candidates belonging to Scheduled Castes and Scheduled Tribes will be given an advantage of 20% marks and OBC candidates (excluding creamy layer) will be given an advantage of 10% marks obtained by them in the entrance test. Such candidate must submit a photocopy of certificate to this effect issue by a competent authority (District Harijan Welfare Officer, District Magistrate or Tehsildar) with their application form. Otherwise they will be treated in the General category (01).

FORM FILLING FOR ENTRANCE TEST

In compliance with the Central Government vision of digitalization Ewing Christian College has adopted the system of On-Line Application, Admission and Fee Payment for the past three years.

Online Filling

Candidates desirous of taking admission in Ewing Christian College, Allahabad in UG Courses for the academic session 2018-19 can register online for the Entrance Test, 2018.

b) Certificate in Chemistry of Cosmetics
c) Certificate in Mathematics for Chemists
- Department of Zoology: Diploma in Laboratory Techniques
- Department of Electronics: Certificate in Video Technology
- Department of Geography: Certificate in Culture & Tourism

COMMUNITY COLLEGE

Why do we need Community College?

- India, at present, is recognized as one of the youngest nations in the world with over 50% of the population under the age of 30 years. It is estimated that by about 2025, India will have 25% of the world's total workforce. In order to harness the full demographic dividend, India needs an educational system which is of high quality, affordable, flexible and relevant to the individuals, economy and to the society as a whole. Presently, the country faces a demand - supply mismatch, as the economy needs more 'skilled' workforce and also the managers and entrepreneurs than created annually. In fact, majority of the contemporary institutions of higher learning remain almost disconnected with the requirements of the workplace. The skill oriented courses available in the market have low credibility and acceptability with the employers. The traditional higher education system in the country is also rigid in terms of duration of courses, timings for teaching-learning, place of study and choice of subjects. There is a worldwide shift from conventional educational system to competence based qualification system. With a view to make the skills acquired by the learners acceptable nationally, the curricula and system of certification should align with the National Occupational Standards. In order to facilitate offering of nationally standardized skill related programmes, the Government of India along with MHRD and UGC, have given shape to the concept of "Community College" in India.
- India is a vast country with a population of more than 1.2 billion. 75% of India's population lives in about six lac villages. There is a visible difference in rural and urban, rich and poor, highly educated and lesser educated, forward and backward areas. While resourceful people, particularly those living in urban areas, have had access to better education and professional training, but vast majority of those who live in rural areas and slums are lesser educated and hardly undergo any technical, professional and vocational training. In fact, for most of such people, quality education and higher technical and professional education is unaffordable. In terms of career options, such lesser educated and not so fortunate people tend to work in low paid unorganized sector. Per person productivity of such persons works out to be a small fraction of productivity of those who work in organized sector of Indian economy. In an increasingly competitive economic environment of our country, the unorganized sector, which is so important for the country, needs to increase the productivity of its manpower for its survival and growth. Yet another paradox before the Indian informal sector is that it can- not afford employing highly educated and professionally trained manpower which usually aspires for highly challenging, rewarding and satisfying career. The only option available before the Indian informal sector is to depend upon relatively low paid manpower trained through non-formal system of skill development. There is, therefore, an urgent need to train millions of persons every year through a countrywide network of non-formal skill development. Such non-formal skill training should attract beneficiaries from all cross-sections of Indian society.

Benefits of taking Admission in Community College:

Community College offers opportunity to the students

- To save money
- Get ready for a Career
- Try out college and take advantage of a flexible schedule.
- It permits individuals to accumulate their knowledge and skills and convert them, through testing and certification by the competent authorities, into higher level of certification which could be a certificate, diploma, advanced diploma, a degree or a PG diploma in common parlance.
- Provide employable and certifiable skills based on National Occupational Standards (NOSs) with necessary general education to Senior Secondary School pass-outs, with general education and /or vocational education background.

- To provide for up-gradation and certification of traditional / acquired skills of the learners irrespective of their age
- To provide opportunities for community-based life-long learning by offering courses of general interest to the community for personal development and interest
- To provide opportunity for vertical mobility to move to higher education in future
- To offer bridge courses to certificate holders of general / vocational education, so as to bring them at par with appropriate NSQF level.
- To provide entrepreneurial orientation along with required skill training for self-employment and entrepreneurship development.

UGC Approved Programmes of Community College:

a. Diploma in Hotel Management

b. Advanced Certificate in Food Technology (Diploma in Food Technology)

a. **DIPLOMA IN HOTEL MANAGEMENT (UNDER COMMUNITY COLLEGE SCHEME OF UGC)**

The hotel industry is presently undergoing rapid growth particularly in the luxury category. The international hotel chains are looking to increase their capacity in India in three segments, viz., Hotel and Restaurant, Tour Operators and Travel Industry. The objective of this program is to develop knowledge and skills in the field of Hotel and Restaurant through:

- (a) Change in attitude (b) Cognitive and creative skill development (c) Skill development by general education
(d) Experimental learning (e) Organizational visits, and (f) Observational learning among the students

Students pursuing this course will be provided following Facilities:

1. AC Class rooms, Good Library, Computerized lab with Wi-Fi, well equipped restaurant and visual demonstration of House Keeping and restaurant management
2. Skill training in hotels and inn house.
3. Industrial tours with faculty members

Industry Partners in this course: Hotel KanhaShyam, Civil Lines Allahabad
Restaurant El-Chico, Civil Lines Allahabad,
Hotel President, Mysuru, Karnataka

Training and Placement : Practical training in Hotel KanhaShyam& El-Chico Civil Lines, Allahabad
Scholarship : Rs 10,000.00 based on certain criteria
Warm-up classes : June 1-18, 2018 Timings: 04:00 – 05:00 pm
Introduction with
Partner Industry : Last week of June, 2018
(Hotel KanhaShyam and El- Chico)

Regular Classes will
Starts from : 09th, July 2018, 03:00 -04:00 pm
Duration : 1 yr i.e. 2nd Semesters, wherein each Semester is of 6 months
Eligibility : 10+2 in any field or any Final yr graduate student
Admission : Interview + GD or MAT/CAT score may apply direct admission
Intake : 30 Students
Course Fees : Rs. 50,000/- per year
Industries Hiring : Hotel, Tourism & service industry

Forms Available from Institute of Skill Development, ECC, Allahabad

b. **ADVANCED CERTIFICATE IN FOOD TECHNOLOGY / DIPLOMA IN FOOD TECHNOLOGY (UNDER COMMUNITY COLLEGE SCHEME OF UGC)**

Food scientists and technologists are versatile, interdisciplinary, and collaborative practitioners in a profession at the crossroads of scientific and technological developments. As the food system has drastically changed, from one centered around family food production on individual farms and home food preservation to the modern system

of today, most people are not connected to their food nor are they familiar with agricultural production and food manufacturing designed for better food safety and quality.

The Advance Certificate Course in Food Technology offered by Ewing Christian College under the Community College scheme of UGC has the mission to train the upcoming generation and to develop good entrepreneur in the field of food science.

The above mentioned course contains all required field related with the Food Technology such as:

1. Introduction and History of Food Technology
2. Microbiology and Biochemistry of Food
3. Bakery, Confectionary and Indigenous Food
4. Food Packing Material and Quality Assurance
5. Food Processing and Dairy Technology
6. Food Laws and Management

This certificate course is designed in such a way where it can not only give basic information about Food Technology but also provides sufficient platform for the candidate to start his own new enterprise as an entrepreneur.

Special features of this course:

- Free 15 days to one month training / internship in reputed food and dairy industries.
- Teaching and practical training by well experienced and trained professionals of academic and industries.
- Well equipped laboratories
- Full fledged and well organized library facilities at departmental and college level

Classes for this course will Commence from: From 16th July, 2018.

Duration	:	One Year (Two Semesters)
Eligibility	:	10+2 with biology or any related field
Admission	:	Personal Interview
Intake	:	50 Students
Course Fees	:	Rs. 8,000/- under UGC Community College scheme support. Rs. 15,000/- (after UGC support is over)
Industries Hiring	:	Dairy, FMCG sector, Food Packaging etc.

Forms Available from Institute of Skill Development, ECC, Allahabad

POST GRADUATE DIPLOMA COURSES

1. POST GRADUATE DIPLOMA IN COMPUTER APPLICATION (PGDCA)

Computer automation has taken over the world many years ago and the scope of it has no limitations & it is ever growing. Those with a degree in Computer Application can seek employment in specialized role in software development. The salary is very lucrative in this sector.

Course Content

The course consists of two Semesters, each of six months.

The following modules are covered in the course..

SEM-I

1. Computer Appreciation & Intro to OS
2. Office Automation
3. Programming in 'C' and introduction to Data Structure
4. Financial Accounting with 'Tally'
5. Web Technology
6. Seminar & Presentation

SEM-II

1. Data Base Management System (Oracle)
2. Data Communication
3. OOP with Java Programming
4. VB NET
5. Project Work.

Computing Facilities

The Centre has 150 computers managed by separate Pentium based HCL Server with Windows 2000 Server with dual booting clients. All the PCs are connected using Local Area Network [LAN]. This is supported by other peripherals such as DM Printers, Laser jets, Scanners etc. The latest and legal software such as Windows 2000

Server/Workstation, Windows XP, Red Hat Linux 8.0, Oracle 9i, Multimedia Toolkit, Borland C & C++ Compilers are used to run the various level software courses.

The Centre is equipped with Internet Broadband Connectivity [BSNL-2 Mbps]. All PCs are given Internet connectivity by a separate Pentium based Internet Server. The effectively deliver of lectures is an important aspect of learning. The latest tools such as Multi-Media Projector, Over-Head Projector and Computer Based Tutorials [CBTs] are used for delivering the course contents to the students.

Library

The Centre has a library containing rich collections of books [over 2500] on different titles. It uses automated library system for day-to-day operations.

Duration	:	12 months
Eligibility	:	Bachelor Degree in any discipline
Admission Procedure	:	First Come First Serve
Intake	:	100 Students
Course Fees	:	Rs. 23,000 /- P.A.
Industries Hiring	:	IT sector

Forms Available from Institute of Skill Development, ECC, Allahabad

2. **POST GRADUATE DIPLOMA IN MANAGEMENT (PGDM)**

Trained managers are the need of the hour in this global market. Private sector is growing rapidly & we need individuals having sound understand & skills in Business Management in the field of marketing, finance, Human resource, etc. Thus the main objective of this program is to,

- | | |
|---|---|
| a) Skill development in students for management | b) Development of market analysis aptitude |
| c) Development of the self-confidence with maximum exposure | d) Board room training for management of groups |
| e) Development of managerial outlook in personality | |

We offer Specializations in

- | | | |
|------------------------------|--------------|---------------------------------------|
| 1. Human Resource Management | 2. Marketing | 3. Advertisement and Public Relations |
| 4. Rural Resource Management | | |

Career Prospects

- | | | |
|-------------------------------|---|----------------------------|
| 1. Management as general | 2. Market Analysis | 3. Production organization |
| 4. Advertisement organization | 5. Rural networking for resource management (Liaison between Government and local bodies) | |
| 6. Human Resource Management | | |

Schedule of Classes

- | | |
|---|---|
| a) 2:00 pm to 6:00 pm in AC class rooms | b) Special: Training in Board room exposure |
|---|---|

Skill building : All skill-building programs will run separately

Library Facilities : 10:00 am to 6:30 pm

Computer with Internet : 10:00 am to 6:30 pm

Exposures: 1. Organizational visit 2. Field visit 3. Students exchange Program

Semester End Examination: December and May

Summer Training: End of the 2nd Semester Examination

Internship: Compulsory in 3rd Semester

Proposed Specialization: 1. Advertisement & Public Relation (APR) 2. Rural Resource Management (RRM)

Association Building/Brand Marketing

- **For APR:** Launching a technical concept of APR with brand name of organization and resource generation for future plan.
- **For RRM:** Emphasis will be given on collaboration with KSK (Kisan Seva Kendra) and ITC (Indian Tobacco Company) for rural marketing.

Special: Summer School for final semester students for skills building (15 days program), MBA students may also participate in this program.

Summer Training: At the end of second semester of the first year the students will have to undergo six to eight weeks summer training in nay organization of repute.

Project Report: After examination at the end of the fourth semester of second year, students will have to submit a project report on either a particular or select topic which is relevant to the group which the student has opted.

Duration	: 2 yrs i.e. 4 semesters
Eligibility	: 45% marks at Graduation Level (B.A, B.Sc., B.Com. or equivalent) Those who have appeared in the final year and expect their result by the end of July 2017 can also apply for this course. Students of this college are eligible for five percent privilege marks. Proficiency in English is a prerequisite for admission. Weightage shall be given to Church sponsored and SC/ST candidates' upto 10% marks in the Entrance Test
Admission Procedure	: Personal Interview& Group Discussion. Subjects will include Mathematical Ability, Reasoning Ability, General Awareness and English Language. Merit shall be made on the basis of performance in the interview.
Intake	: 60 Students
Course Fees	: Rs. 45, 000/= per year
Industries Hiring	: All sectors

Forms Available from Institute of Skill Development, ECC, Allahabad

3. POST GRADUATE DIPLOMA IN MENTAL HEALTH MANAGEMENT (PGDMHM)

Mental health management is an approach for improvement of the state of mental health in human beings. It deals with human beings who are in mantel stress, decision making, negotiation handling, personal and professional problems and who are suffering with learning disabilities, drug dependency etc. The trained individual with his curriculum will contribute to society in following form as:

1. Good organizational decision maker
2. Behavioral coach in organizations
3. Counselor for special students in schools and colleges
4. Clinical psychologist
5. Counselor as general
6. NGO manager
7. Management of electronic devices for diagnosis and treatment of mental state of human beings

Duration	: 2yrs i.e. 4 semesters where in each Semester is of 6 months
Eligibility	: Bachelor Degree in art / Science or final yr students
Admission	: Interview/G.D./Written test
Intake	: 60 Students
Course Fees	: Rs. 18000/- per semester (Each semester is of 6 months)
Industries Hiring	: NGO's, Education sector, Medical sector etc

Forms Available from Institute of Skill Development, ECC, Allahabad

4. POST GRADUATE DIPLOMA IN JOURNALISM & MASS COMMUNICATION (PGDJMC)

The world has witnessed a phenomenal and unprecedented explosion in communication technology and media. All boundaries have been transcended, and the entire global community seems to have been brought together into one unified whole. And it is here that mass - communication & Journalism as a stream of study and as a career becomes very important. A professional course in Mass Communication& Journalism open doors for a career in films & TV, Publishing, Public relations, Journalism, Editing, Direction, Film making, scriptwriting , production etc. Also, the pay packet in this sector is very attractive and lucrative.

Duration	:	18 months i.e. 3 Semesters wherein Each Semester is of 6 months
Eligibility	:	Bachelor's degree in any field or Final year graduate student
Admission	:	First come first serve
Intake	:	20 Students
Course Fees	:	Rs.15000/- per semester (Each semester is of 6 months)
Industries Hiring	:	Films & TV, Publishing, Public relations, Journalism, Editing, Direction, Film making, script writing, production etc.

Forms Available from Institute of Skill Development, ECC, Allahabad

ADVANCED DIPLOMA COURSES

1. ADVANCE DIPLOMA IN ANIMATION & VISUAL EFFECTS (ADAVFX)

Who can forget the cute and martial arts obsessed Panda in Kunfu Panda series or the famous Jungle book, Batman, Superman, Chota Bheem series to name a few, wonders of Animation & Special Effects industry. Animation Industry has boundless scope for those who love to create magic. In spite of the recent global economic crisis, Animation & Special effects industry has continued its growth.

Duration	:	1 yr i.e. 2 Semester
Eligibility	:	10+2 in any field or any Final yr graduate student
Admission	:	First come first serve
Intake	:	10 Students per batch
Course Fees	:	Rs. 70, 000/-
Industries Hiring	:	Entertainment, Media & Animation sector, Film Making, Editing etc.

Forms Available from Institute of Skill Development, ECC, Allahabad

DIPLOMA COURSES

1. DIPLOMA IN LABORATORY TECHNOLOGY (DLT)

This course is open to the regular students of the College as well as students from other institution, who wants to acquire knowledge and skill in *Laboratory Technology*. Classes are held in the evening to enable the regular college and students to take advantage of this Diploma programme. However, the admission is done on the basis of merit earned in the Entrance test.

The college, through the Zoology Department in collaboration with scientist, medical doctors, professors, pathologists and biochemists, forensic science experts, physicists etc along with highly skilled laboratory technical staff, is running this programme on self-financing basis.

This Diploma programme has been planned with the aim of training students in the field of *Laboratory Technology* for employment in various research laboratories, pharmaceuticals companies, companies making diagnostic kits, nursing homes, hospitals, clinic, pathology and forensic laboratories etc. and develops entrepreneurship skills in them to take the problem of unemployment.

Aims and Objectives:

- To train students in the field of *laboratory Technology* for employment as 'technical staff' in research laboratories, pharmaceuticals companies, companies making diagnostic kits, nursing homes, hospitals, clinics, pathology and forensic laboratories etc.
- To encourage entrepreneurship among young men and women with the skill and knowledge provided under this programme.
- To brighten the chances of getting diversified employment especially in private sector, which is expanding, many fold due to the open policy of Government and globalization.
- To get trained and imbibe technical skills to get admission in higher technical and allied courses.
- The programme includes lectures, demonstrations, laboratory work, including fieldwork and apprenticeship

Course Outline of the Diploma Programme

The 2 years Diploma course is divided in two Halves. Mid Term Examination will be held at the middle of course.

Contents: 1. General Skills 2. Laboratory Instruments 3. Human Anatomy
 4. Human Physiology 5. Biochemistry 6. Pathology & Microbiology

An attendance of 75% is compulsory to appear in the annual examination. In special circumstance it is permissible upto 60%.

- **Marks obtained in supplementary examination will not be considered for the merit position.**
- **It may be noted that supplementary examination is only for those students who fail in one or more theory paper and practical examinations and not for improvement of marks.**
- **If candidate fails in supplementary examination, he/she will be allowed to reappear the following year in final examination.**

Award of Diploma

After successful completion of the programme, which includes compulsory apprenticeship of minimum one and a half month in recognized scientific laboratories hospitals, nursing homes or pathology centres, the student will be awarded diploma certificate in '*Laboratories Technology*' under the seal of Ewing Christian College Allahabad. A provisional certificate may be issued after the declaration of the results. Certificate for general awareness in Computer Application and Spoken English and Personality Development are also given along with the diploma certificate. Students who secure **First, Second** and **Third** position and obtain highest marks in practical's and highest percentage of attendance will be awarded certificate of honor etc.

Job Opportunities:

Diploma holders of this programme have multiple employment opportunities in research and analytical laboratories, pharmaceutical companies, hospitals, dispensaries, clinics, nursing homes, etc. according to their hard work and cultivated skills. **This diploma programme is not recognized by U.P Medical Council or any other agencies. However, College, being an Autonomous is authorized by the U.G.C. to run such diploma programmes. A government medical job may or may not be possible. Students after this programme have better chances to get admission in higher technical institutions as well.**

Duration	:	2 yrs
Eligibility	:	10+2 in science stream
Admission Procedure	:	Entrance test
Intake	:	42 Students
Total Course Fees	:	Rs. 35000/-
Industries Hiring	:	Hospitals, Testing Labs, Pathological Labs, Research Centers Pharmaceutical companies etc.

Entrance examination will be held for DLT (Diploma in laboratory Technology) only as per following schedule:

Entrance Test	: 5th July, 2018
Entrance Test result	: 19th July, 2018
Admission Date	: 20th July, 2018 onwards

Forms Available from Institute of Skill Development, ECC, Allahabad

IMPORTANT POINTS FOR DLT ENTRANCE TEST:

Categories for students appearing for Entrance Examination in DLT:

- **General:** All applicants excepts those claiming privileges under categories 02,03,04.
- **Regular students of ECC:** Will be given weightage of 10% marks, which will be added to total marks obtained by them in the Entrance test.
- **Church sponsored candidates :** Will be admitted irrespective of the merit earned in the Entrance test. Christian applicants must submit sponsorship letter signed by the Bishop/Pastor of their respective Churches. A Church-sponsored candidate should get his/her application form signed by the Director/Co-coordinator of this Diploma programme before submission, otherwise he/she will be considered in the General category.
- **ECC employees ward:** Son, Daughter, real brother, real sister, husband, wife, of the College staff will also be admitted irrespective of the merit earned in the Entrance test.

Privileged candidates will have to appear in the test and secure a certain minimum marks fixed by the Admission Committee.

General information regarding the test

The entrance test will be of objective or multiple choice type in English only. Each question will have four possible choices, out of which only one will be the correct, which the candidate is required to mark. **All answers will be marked on the separate answer sheet provided and not on the question booklet.**

No negative marking is done in this test. The test will be of 2 hours duration and include the following four test papers;

Section 1: Zoology **Section 2:** Chemistry **Section 3:** Elementary physics **Section 4:** General English & Aptitude

Each test paper will have forty questions and is to be answered in 30 minutes. The standard of this test is of Intermediate (10+2 level) with Biology background. The student requires revising their Intermediate syllabi.

2. DIPLOMA IN OFFICE MANAGEMENT & SECRETARIAL PRACTICES (DOMSP)

In the modern globalization era, Private sector has progressed & is progressing in leaps and bounds. For the systematic functioning of their offices, trained, knowledgeable office managers are in demand and their demand is increasing day by day. The offered course trains an individual in complete administrative work involved in office management and supporting the work of senior officers. Proactivity, swiftness, multitasking are few of the qualities that an individual gets trained while pursuing this course.

Course Syllabus:

The following subjects are offered:

1. Short hand
2. Typing
3. Computer application in office management
4. Computer concepts
5. Windows 98
6. MS Office (word, excel, power point, access)
7. Internet, E. Mail etc.
8. Office Management
9. Secretarial Practices
10. Communication Skills
11. Spoken English and personality enhancement

Duration	: 1 yr
Eligibility	: 10+2 in any field or any Final yr graduate student
Admission	: First come first serve
Intake	: 30 Students
Course Fees	: Rs. 12000/- P.A.
Industries Hiring	: All sectors.

Forms Available from Institute of Skill Development, ECC, Allahabad

3. DIPLOMA IN MASS COMMUNICATION (DMC)

The world has witnessed a phenomenal and unprecedented explosion in communication technology and media. All boundaries have been transcended, and the entire global community seems to have been brought together into one unified whole. And it is here that mass - communication as a stream of study and as a career becomes very important. Mass communication is not related to journalism alone. A professional course in Mass Communication open doors for a career in films & TV, Publishing, Public relations, Journalism, Editing, Direction, Film making, scriptwriting, production etc. Also, the pay packet in this sector is very attractive and lucrative.

Duration	: 1 yr i.e. 2 Semester,
Eligibility	: 10+2 in any field or any Final year graduate student
Admission	: First come first serve
Intake	: 20 Students per batch
Course Fees	: Rs. 40, 000/-
Industries Hiring	: Films & TV, Publishing, Public relations, Journalism, Editing, Direction, Film making, script writing, production, News Channels etc.

Forms Available from Institute of Skill Development, ECC, Allahabad

4. DIPLOMA IN ANIMATION & SPECIAL EFFECTS (DASFX)

Who can forget the cute and martial arts obsessed Panda in Kungfu Panda series or the famous Jungle book, Batman, Superman, Chhota Bheem series to name a few, wonders of Animation & Special Effects industry.

Animation Industry has boundless scope for those who love to create magic. In spite of the recent global economic crisis, Animation & Special effects industry has continued its growth.

Duration	: 6 months
Eligibility	: 10+2 in any field or any Final yr graduate student
Admission	: First come first serve
Intake	: 10 Students per batch
Course Fees	: Rs. 35,000/-
Industries Hiring	: Entertainment, Media & Animation sector, Film & TV production, Editing, Film Making, etc

Forms Available from Institute of Skill Development, ECC, Allahabad

CERTIFICATE COURSES

1. CERTIFICATE IN ANALYTICAL TECHNIQUES IN CHEMICAL ANALYSIS (UGC SPONSORED CAREER ORIENTED COURSE) (CATCA)

India aspires to become a developed nation by the year 2020 and this requires substantial vertical growth especially in the field of industrialization. This would require a very large number of suitably trained personal also in the near future. Chemical analyses of various substances play a very significant role in modern industries like Chemical Pharmaceutical, Plants, Oil & Gas, Cement, Glass, Metals, Plastics, Food, Cotton etc. and to meet this future requirement, it would be good if the candidate has an additional “hands-on-training” while he / she pursues studies at graduation level so that the student gets assistance in finding a suitable placement in the industries and other organizations. Spectroscopy is one of the most trusted and vital tool of science in the field of ‘Chemical Analysis’. Almost all Industries, National Institutes Organizations, Universities etc are employing spectroscopy in various types of Analysis.

Ultraviolet – Visible Spectroscopy, IR Spectroscopy and Flame Photometry find great importance in Chemical Analysis and hence this certificate course is framed to help the students to acquaint themselves with these modern day analytical instruments and subsequently use them in chemical analysis of various substances (which often include real samples)

Duration	: 6 months
Eligibility	: Students of B. Sc. I to VI semester having Chemistry as one of their subjects
Intake	: 20 students
Admission	: Through interview (to be held in the month of August)
Course Fee	: Rs. 5000.00 per student (In three installments)

The Course is run by the Department of Chemistry. It is an interdisciplinary course.

Forms available at Institute for Skill Development, ECC, Allahabad

2. CERTIFICATE IN CHEMISTRY OF COSMETICS (COC)

Objectives:

Knowledge and skills requires for performing different activities has become prime requirement of the contemporary world. This certificate course is aimed to give students an opportunity for gaining additional value added qualification during his / her three year study in B.Sc. after completion the course the students should be able to :-

- To learn composition and functions of various components for some cosmetic products
- To learn the chemistry of chemicals used in making various cosmetics
- To impart hands on training for preparing some products to understand various side effect these chemical may cause to become a counselor for beauty and health care treatment.
- To get a wide exposure of the fashion world for self employment and establishment of small scale level cottage industry.

Duration	: 6 months
Eligibility	: Students of B.Sc. all Semesters who opted chemistry as one of the subject
Admission Procedure	: First Come First Serve
Intake capacity	: 30 students
Total Course Fee	: Rs. 5,000 per student (in 3 installments)

The Course is run by the Department of Chemistry. It is an interdisciplinary course.

Forms available at Institute for Skill Development, ECC, Allahabad

3. CERTIFICATE IN MATHEMATICS FOR CHEMIST (MFC)

Objectives:

To equip students with the kind of mathematics and mathematical aptitude which beside helping them in Chemistry subject also helps them in various competitive examinations which they have to appear in future.

Syllabus

Number System	: Rational and irrational numbers as real numbers, surds and rationalization of surds, irrational number as non-repeating, non-terminating decimal
Arithmetic	: Percentage, unitary method, ratio and proportion, powers and roots, logarithms
Algebra	: Factorization (including factor theorem and remainder theorem), linear equations, quadratic equations, H. C. F. and L. C. M., Arithmetic Progression (A. P.), Geometric Progression (G. P.), Harmonic Progression (H. P.)
Co-ordinate Geometry	: Distance formula, section and mid-point formula, equations of line
Trigonometry	: Trigonometric ratios and identities, trigonometric ratios of complementary angles, heights and distances
Mensuration	: Area and perimeter of a triangle and a quadrilateral, area and circumference of a circle, surface area and volume of cube, cuboids, cylinder and cone and sphere.
Calculus	: Differentiation of functions of one variable, differentiation of sum, difference, product and quotient of two functions, differentiation of composite of two functions (Chain rule), Physical and geometrical interpretation of derivative of a function, Partial differentiation. Integration of a function, integration of sum, difference and product of two functions, methods of integration, definite integral.
Statistics	: Measures of central tendency- Mean, Median and Mode, Measures of dispersion- Range, Mean deviation and Standard deviation, Probability- definition and simple problems.
Duration	: 3 months
Eligibility	: Students of Bio stream of B.Sc. all Semesters who opted chemistry as one of the subject
Admission Procedure	: First Come First Serve
Intake capacity	: 100 students
Course Fee	: Rs. 2,000 per student (in 2 installments)

The Course is run by the Department of Chemistry. It is an interdisciplinary course.

Forms available at Institute for Skill Development, ECC, Allahabad

4. CERTIFICATE IN CULTURE & TOURISM (UGC SPONSORED CAREER ORIENTED)

Tourism is an important economic activity and has been accorded industrial status by the Government. Tourism with telecommunication and information technology is considered as one of the main driving force of the 21st century global economy.

The objective of this course is to train graduate students for national outlook in the field of tourism and culture. As tourism is one of the big industries of the country, allied branches like hotel, cultural activities food and restaurant are support agencies of tourism.

Duration	: 6 months
Eligibility	: 10+2
Admission	: Through Interview
Intake	: 30 Students
Course Fee	: Rs. 5000/- per student (in 2 installments)

The Course is run by the Department of Geography.

Forms available at Institute for Skill Development, ECC, Allahabad

5. CERTIFICATE IN VIDEO TECHNOLOGY (UGC SPONSORED CAREER ORIENTED COURSE)

A course in video technology is 6 month career oriented certificate Course (funded & recognized by University Grant Commission) running under Department of Electronics since session 2012-13.

Now, more than ever, the future of video glows bright. The need for content has increased enormously with the advent of digital broadcasting around the world. The Internet, also, has provided a home for emerging forms of video such as webisodes and webcasts. Mobile platforms, such as cell phones and tablets, make it possible to view video anywhere, anytime. Video is the medium of the day. Making a television or video programmer is a highly specialized task. It requires a team of bright, creative, and hardworking individuals. It demands great technical skill. It needs people who are well trained.

If you would like to work in the television and video industry the first, most important step, is to get the right training and qualifications to equip you for your chosen career.

This course covers all aspects of production, including T.V. signal reception and transmission, researching, production management, camera operations, lighting, editing, sound recording and mixing, and directing. All necessary equipment is available for students to perform necessary practical in order to enhance their knowledge.

Course Content:

- | | | |
|-----------------------------------|-----------------------------|-------------------------------|
| 1. Elements of television systems | 2. Analysis of T.V. picture | 3. Components of picture tube |
| 4. T.V. Receiver | 5. Color T.V. and Antenna | 6. T.V. Applications |
| 7. Modulation & Demodulation | 8. Troubleshooting | |

- Duration** : 6 Month
Intake : 30 Students
Eligibility : 10 + 2 (Science Stream)
Admission Procedure : Through entrance Exam
Course Fees : Rs. 4000
Industries hiring : Media channels, App developers, TV manufacturers etc

The Course is run by the Department of Electronics.

Forms available at Institute For Skill Development, ECC, Allahabad

6. COURSE ON COMPUTER CONCEPTS (CCC)

This course is designed to aim at imparting a basic level IT Literacy programme for the common man. This programme has essentially been conceived with an idea of giving an opportunity to attain computer literacy thereby contributing to increased and speedy PC penetration in different walks of life. After completing the course the incumbent should be able to use the computer for basic purpose of preparing his personnel/business letters, viewing information on internet (the web), receiving and sending mails, preparing his business presentations, preparing small database etc. to maintain their small accounts using the computers and enjoy in the world of Information Technology. This course is, therefore, designed to be more practical oriented.

The course duration is for 80 hrs which is divided in: 1. Theory 25 hours 2. Tutorials 5 hours 3. Practical 50 hours

Candidates selecting this course will be conferred with Dual certification by

- Ewing Christian College, Allahabad (Certificate in Computer Awareness / PC software)
- National Institute of Electronics and Information Technology (NIELIT), New Delhi (Formally DOEACC Society)

- Duration** : 3 months i.e. 80 hrs
Eligibility : 10th Pass
Admission : First come first serve basis
Intake : 30 Students
Course Fees : Rs. 2500/-
Industries Hiring : All sectors

The Course is run by the Centre for Computer Sciences.

Forms available at Institute for Skill Development, ECC, Allahabad

7. CERTIFICATE IN SPOKEN ENGLISH

English may not be the most spoken language in the world but it is the official language in a large number of countries like in India. Also, English is the predominant Business Language. We need to understand that reading English is not as difficult as speaking the language itself.

Understanding the above needs, ECC-ISD has designed the Spoken English course which helps the students understand the basic grammar of the language, learn common spoken terms, attain fluency in the language.

- Duration** : 2 months
Eligibility : 10+2 onwards

Admission	:	First come first serve basis
Intake	:	30 Students
Course Fees	:	Rs. 2200/-
Industries Hiring	:	All sectors

The Course is run by the Centre for Languages.

Forms available at Institute for Skill Development, ECC, Allahabad

8. CERTIFICATE IN SECRETARIAL PRACTICES & PRESENTATION SKILLS

In view of the prevailing unemployment among undergraduates, it has become indispensable to seek a certificate level vocational training as an additional value added qualification along with the three years degree course. With the remarkable growth in the socio-professional fields during the past five decades and to be in line with the New Educational Policy of Vocationalization of Educational Courses, Ewing Christian College, Allahabad is introducing a six months certificate level course in Office Management Stenography and Secretarial Practices. Since UGC authorized certificate is now compulsory for applying for job as Stenographer in many High Courts and other concerns therefore this Certificate shall provide greater Job opportunities to the students.

SUBJECTS OBJECTIVES:

- To prepare the students, making them fit for employment as Administrative/Management Executive Secretaries, Personal Assistants, Stenographers/Typists, Front Office/Desk Assistants and Office Assistants etc.
- To promote knowledge & skills for self employment in related fields.
- To provide the knowledge of modern office, related equipments, machines & the practices and procedures involved in their efficient running.
- To make the students expert stenographers, letter drafters, and to train them in handling of records & information.
- To equip the students with the skill of taking dictations, transcribing the matter on typewriter and computers.
- To train the students in formatting documents, forms, inventories, reports & proposals on computers.
- To train the students to use the internet, E-mail etc., in a modern office.
- To train the students in communication skills in a proper business environment.

JOB POTENTIALS:

The students can be employed in various organizations as:

1. Administrative/Management Secretaries
2. Executive Secretaries
3. Personal Assistants
4. Stenographers & Typists
5. Font Officer/Desk Assistants and Office Assistants etc.

The students can also be self-employed as:

- Owners of commercials Typing- Shorthand Institutes.
- Take up private job work as Stenographers and Computer Operators.

Duration	:	6 months
Eligibility	:	10+2 / Graduate in any field
Admission	:	First come first serve basis
Intake	:	30 Students
Course Fees	:	Rs. 6000/-

POST GRADUATE PROGRAMMES

Being an Autonomous College, Allahabad University granted permission to start Post Graduate courses (M.A./M. Sc.) from the session 2017-18. In the light of the above, Ewing Christian College is starting Post Graduate Classes (M.A./M. Sc.) on self-financed basis, till government aid is not secured, in the following subjects:

SUBJECTS AVAILABLE FOR M.SC. DEGREE:

Botany, Chemistry, Mathematics, Physics, Zoology

SUBJECTS AVAILABLE FOR M.A DEGREE:

Ancient History, Economics, Education, English, Geography, Hindi, Philosophy, Political Science, Psychology, Mathematics

TOTAL SEATS AVAILABLE:

For M.A. (Ancient History, Economics, Education, English, Hindi, Philosophy & Political Science)	- 50 seats each
For M.A. (Psychology, Geography)	- 30 seats each
For M.Sc. (Botany, Chemistry, Physics, Zoology)	- 30 seats each
For M.A./M. Sc. (Mathematics)	- 50 seats
For M.A./M. Sc. (Statistics)	- 30 seats

ELIGIBILITY AND COURSE DURATION:

- For admission to M.A. / M.Sc. candidates should have passed the B.A. / B. Sc. (Three year degree course/ Honours Course) examination in one of the two subject opted in third year or honours course from a UGC recognized University.
- Candidates will be eligible for admission in any subject provided they qualify the post-graduate admission test of the college in that subject. The duration of M.A./M.Sc. course is of a minimum period of 2 years (4 semesters each of 6 months).
- Candidates will be awarded M.A./M. Sc. Degree in accordance with the rules of the University of Allahabad by the University of Allahabad.

FEE STRUCTURE:

1. M.A. (Psychology, Geography & M.A./M. Sc. Statistics)	- Rs. 25,000.00 per year
2. M.Sc. (Botany, Chemistry, Physics, Zoology)	- Rs. 40,000.00 per year
3. M.A. (Ancient History, Economics, Education, English, Hindi, Philosophy & Political Science)	- Rs. 15,000.00 per year
3. M.A./M. Sc. (Mathematics)	-Rs. 20,000.00 per year

Note:

- Candidates are informed that if the total number of applicants for M.A. Psychology, Geography and M. Sc. All subjects are less than 10 and if the number of candidates in M.A. Non-practical subjects are less than 15, then the programme will not run in the academic session 2017-18 and the total fees submitted by the applicant will be refunded.
- The First Semester and Second Semester Fee will be taken at the time of Admission in July-2018.
- In case student fails in the first semester, his / her fee for the second semester will remain deposited in the college. He / She will not be required to pay the second semester fee as and when he / she passes the first semester. Failed students will however pay the ex - student registration fee for reappearing in first semester.
- The fee structure does not include any departmental expense of educational tour etc. These expenses will be paid by the student in the department as and when required.

ENTRANCE TEST REGULATIONS

1. Candidates who have passed or are appearing in the third year final examination of graduate course in a recognized university of college can apply for appearing in the entrance test.
2. Candidates can apply in maximum two subjects which must be those subjects which he/she had in the final year of the graduation program.
3. **Entrance Test Fee:**

- The candidate can download and print the Admit Card from 14.07.2018 by clicking on Admit Card link on the College Website and by filling in respective Transaction ID.

PRIVILEGE MARKS FOR PG ADMISSIONS

The following categories of candidates are entitled for privilege marks. No candidate will be automatically entitled for privilege marks unless he/she claims for them and has submitted the required documents along with his/her application form. No request for privilege marks will be considered once the candidate has been registered for admission to the Entrance Test.

Candidates should mention only one category and attach a copy of the certificate supporting the category (for 02-09 only). False claim may lead to disqualification of a candidate. If more than one category has been mentioned, the candidate will be considered under the general category even though supporting certificate has been attached. Candidates can claim advantage under only one category.

If the applicant does not come under the categories 02 – 09, he/she should write “General” (01) in the category box.

CATEGORIES

01. **General:** All applicants except those are claiming privilege under categories 02 to 09.
02. **Church Sponsored:** Church sponsored candidates will be admitted in the College, irrespective of the merit earned by them in the entrance test and the year of passing intermediate/qualifying examination, provided they appear in the entrance test and score minimum marks. In order to be considered for selection, a Christian applicant must submit with his/her application form a sponsorship letter signed by the Pastor/Presbyter of the Church that the applicant is attending, duly certifying that the applicant and/or his/her parents are members in good standing. The name, address and denomination of the Church/Diocese/Synod to which he/she belongs and the date of baptism of the applicant should be mentioned. A Church sponsored candidate has to get his/her application countersigned by the Principal of the College, and also execute a Christian Student Undertaking (Performa available in the Office of the Principal) before submission of the application, otherwise he/she will be considered in the General category. Therefore Church sponsored candidates must apply off-line.
03. **E.C.C. Employees' Ward:** Son, daughter, real brother/sister, husband, wife of Ewing Christian College Staff and those of ex-staff members, who have put in at least 5 years of continuous service in the College will be admitted irrespective of the merit earned in the entrance test and year of passing of Intermediate/qualifying examination, provided they have appeared in the test and have scored certain minimum marks. The application forms of such candidates must be endorsed by the Principal, ECC before submission. Admission will be subject to the relative scores against 5% supernumerary seats (with a minimum of one seat) in each course of study, only for Teachers / Employees who are serving or have superannuated from the College.
04. **Kashmiri Migrants:** Weightage as per Central Government norms shall be given to Kashmiri Migrants. In order to avail this weightage, the candidates shall have to present a certificate to this effect from an officer of the Ministry of Human Resource Development not below the rank of Joint Secretary or equivalent.
05. **Sports & Games:** Only those candidates who have achieved the level of competence mentioned below are qualified to try for admission under the Sports and Games category:
 - (i) First, Second or Third position holders at the State level tournaments or meet conducted by State Governments, recognized State Associations of Basketball, Cricket, Football, Hockey, Badminton, Volleyball, Athletics, Table Tennis, Chess, Handball, Swimming, Sailing, Rowing, Canoeing Kayaking, Lawn Tennis, Tae-Kwondo and Boxing only.
 - (ii) Members of the State Teams that participated in the National Championships conducted by Government recognized National Federation including All India University Board and School Games Federation of India, University Board or School Games Federation of India.

Candidates claiming admission under Sports and Games category must attach attested photocopies of their certificates with the application form.

Candidates applying under Sports and Games category if found to be qualified will be called for an interview for verification of their original certificates by a special committee. It is compulsory for all students admitted under Sports and Games category to participate actively in their respective games and sports in the College.

06. **Physically Challenged:** Physically Challenged candidates (with 40% or more disability certified by C.M.O. and verified by Admission Committee) may be admitted provided they have scored certain minimum marks in the Entrance Test. Not more than 5 candidates in this category will be admitted in each stream (Biology, Mathematics and Arts) on the basis of their merit in Entrance Test. It is necessary to mention the percentage of disability in the medical certificate signed by the C.M.O. A photocopy of the certificate must be attached.
07. **Alumnus Ward:** Son, daughter, real brother/sister, husband, wife of the College alumnus/alumni (an alumnus/alumni will be defined as member of the College class who has graduated) who is registered as life member Alumni Association of the College will be given an additional advantage of 5 percent of marks obtained by him/her in the Entrance Test. This privilege is also extended to Part-III students who have taken life membership of the Alumni Association. The admission of such candidate must be endorsed the Secretary of Alumni Association, ECC, before submission. Such candidates must apply off-line.

08. **Foreign Nationals / NRI**: Foreign Nationals shall be required to apply through International Student's Advisor in accordance with the procedure laid down. The candidate in this case shall not be required to appear in the Admission Test / Entrance Test, but shall be considered for admission on the recommendation of a committee constituted for the purpose, which shall examine the academic credentials and certificates of the candidate before making any recommendation.
09. **Scheduled Castes/Scheduled Tribes/OBC**: Candidates belonging to Scheduled Castes and Scheduled Tribes will be given an advantage of 20% marks and OBC candidates (excluding creamy layer) will be given an advantage of 10% marks obtained by them in the entrance test. Such candidate must submit a photocopy of certificate to this effect issue by a competent authority (District Harijan Welfare Officer, District Magistrate or Tehsildar) with their application form. Otherwise they will be treated in the General category (01).
